ABOUT OUR COMPANY

Oil Center Research, LLC (OCR) was founded in 1958 from a vision of two individuals with only one product to sell. Over the past 50 years, OCR's product line has grown to include over 1,000 products that service 12 different industries. The Company motto, "Seal of Dependability," signifies a commitment to our customers by providing some of the highest quality products available in the market today.

Our product lines include products for oilfield, industrial, water well, automotive, marine, fishing, petrochemical, and agricultural markets. At present, OCR can offer a complete line of environmentally safe products for all industries and applications.

Over the last 50 years, OCR's success is attributable to the strong relationships we have built with our customers as well as the commitment to respond to our customers' needs with the highest quality products and service. Over the years, the industry has presented many challenges, but with wonderful customer support and the dedication of the OCR family, the Company has continued its success.
